# Theme Park Visit Task Sheet

There are three principal goals for this trip:

- 1.** You should remember your managerial task and keep a sharp look out for things that could assist your group's attraction to look and be as realistic and well planned as possible.

You can make notes or sketch drawings on this sheet if you wish, or you may want to collect evidence – such as clean packaging for food stuffs, staff clothing, bags, types of souvenir.

- 2.** Don't forget to look about and perhaps collect examples of free or 'throwaway' types of publicity materials that you might base your own group's publicity on – or come up with an improved version of.
- 
- 

- 3.** Most importantly, have fun and do your best to ensure that everyone else (adults included) have fun too!
